

IPC Autumn 2014 vom 7. September 2014 Allmend Thun

Datum/Zeit-Date/hour: Sunday 07 of September 2014 1000 - 1300
 Wetterverhältnisse/
 Weather conditions: Temperatures well over 20 ° C and some cloudy covering at the Start but after a wind direction change we flew in a nice late Summer day. Mediocre thermal Conditions at the beginning with a light southern wind giving only few and small thermal bubbles. After the wind direction change more and more warmer and dry air produced good lift. Total of only six Pilots!

Top 5 overall high score: **10736**
